

US 287/Federal Blvd Resurfacing & Curb Ramp Project

Project Overview

The Colorado Department of Transportation and prime contractor, Brannan Sand and Gravel, will begin work on US Highway 287/Federal Blvd at the beginning of June. The construction zone will begin at 49th Ave and end at W 16th (MP 282.8 to MP 285.8). Work is expected to go through November, weather permitting. Work includes the following:

- Resurfacing approximately three miles of highway
- Improving intersection locations along Federal Blvd with 114 new curb ramps, which will provide better accessibility to multi-modal travelers

Schedule & Traffic Impacts

Daytime working hours for curb ramp improvements will be 7 a.m. to 5 p.m., Monday through Friday for the months of June, July and part of August. **Traffic impacts** will include turn-pocket, sidewalk and single-lane closures. Motorists should expect delays and plan for extra travel time. Nighttime hours for resurfacing (starting in August through the end of the project) will be from 6 p.m. to 5:30 a.m., Sunday through Thursday. **Traffic impacts** will include temporary full-lane closures of side street intersections. Detours will be in place.
